

Exhibit B

The Fleischman Law Firm

The Fleischman Law Firm provides a broad spectrum of legal services specializing in the investigation, litigation and resolution through settlement or trial of complex high stakes commercial and securities litigation on behalf of a wide range of institutional, corporate and individual clients.

OUR FIRM

After 27 years of practice as a litigator and trial lawyer, Keith M. Fleischman founded The Fleischman Law Firm in 2011. The firm draws on its experience from successfully litigating and bringing to trial numerous complex commercial matters. The Firm and its attorneys have led some of the largest and most complex criminal and civil litigations in the United States. We have brought commercial disputes and high stakes SEC investigations to successful conclusions, won major dismissals of lawsuits and successfully litigated complaints brought on behalf of corporate and private equity clients in both state and federal court. The Firm has accomplished wide ranging successful outcomes representing a broad range of institutions, corporations and individuals, including pension funds, hedge funds and executive officers, as both defendants and plaintiffs.

FIRM PHILOSOPHY

As a firm we understand that clients want precision and focus. To this end we conduct efficient pre-filing investigations and make detailed assessments prior to the commencement of any lawsuit to ensure the strongest possible case. We are sensitive to our client's needs and adjust strategies to fit our client's goals and resources while at all times maintaining clear communication and coordination throughout the litigation process. We conduct our practice in teams to maximize the diverse talents and unique strengths of our staff. We have the capacity and experience to take a case through trial and any appellate process, drawing on a combined seventy-five years of trial experience and proven success.

PRACTICE AREAS

Our areas of practice include:

- Complex Commercial Litigation
- Securities Litigation
- Hedge Fund, Private Equity, and Financial Institution Cases
- Business Disputes
- Investigation & Defense of Government and Regulatory Enforcement Actions
- Arbitration and Alternative Dispute Resolution
- Litigation Risk Assessment and Case Evaluation
- Qui Tam / SEC Whistleblower Representation

Within these practice areas, the Firm's attorneys have litigated a diverse range of subject matters. We combine our technical capabilities in these areas with our willingness and ability to go to trial on behalf of our clients. As a former state and federal prosecutor, Mr. Fleischman has successfully investigated, litigated and tried to verdict some of the largest and most complex civil and criminal prosecutions in the United States. We believe this trial expertise distinguishes the Firm and enhances our ability to obtain a successful outcome for our clients.
